

DANISH STAMP CENTENARY APR. 1

Stamps To Picture NYC Statue Of Bolivar

On April 19, a statue of Simon Bolivar, famed liberator of several South American nations, will be moved to a new location on the Avenue of the Americas in New York City. To mark this event, Venezuela, one of the nations which benefited from Bolivar's military prowess, will issue a series of commemoratives.

There will be seven stamps in the regular postage category and eight in the airmail. Denominations and quantities to be printed are—for the regulars, 5c—300,000; 10c—200,000; 20c—500,000; 40c—500,000; 50c—400,000; and 1 Bolivianos—100,000.

Airmails are to be as follows: 5c—200,000; 10c—200,000; 20c—500,000; 25c—400,000; 30c—300,000; 40c—500,000; 50c—200,000; and 70c—100,000.

One design will be common to the seventeen stamps. It will picture the Bolivar statue in New York City, and have the word "Correos" on the regular stamps, and Correo Aereo on the airmails. Other wording is "Simon Bolivar", "E.E. UU. de Venezuela", "Traslado de la Estatua del Libertador en Nueva York" and "19 de Abril de 1951".

Also reported by F. Jacobi of Caracas, Venezuela are two provisionals of the surcharged variety. Due to shortages of such denominations, a 5c will be surcharged on the current 7½c, Scott number 414, and 10c on the 37½c, number 420.

The text will read "Resellado", "5 Centimos", or "10 Centimos".

A first day of issue was not given for either set of stamps.

Mr. Jacobi advises that a serious illness for the past few weeks has kept him from answering correspondence.

Interprets Slogan On Mail From Faroes

Eric Woweren of Charlottenlund, Denmark calls attention to what appears to be a boxed slogan cancellation appearing on Danish mail, with a Copenhagen postmark.

Inside the box, along with five wavy lines, is "FRA FAEROERNE". It indicates the letter came from the Faroe Islands.

This cancellation is used in Copenhagen on all mail from the Faroes which has not first been postmarked there before shipment to Denmark, of which the islands are a part.

It has been rumored on several occasions that the Faroes would have stamps of their own like Greenland, another Danish possession. To date, except for provisionals during both world wars, there have been no special stamps—the stamps of Denmark are used.

San Marino Readies Red Cross Issue

San Marino had in preparation a series of three stamps commemorating the Red Cross Society which had tentative first day of March 10. To date these stamps have not been seen.

According to Vittorio Lo Bianco of New York City the denominations were to be 25, 75 and 100 Lire.

President Renner Mourning Stamp, Semipostals For Reconstruction Issued By Austria In Early March

As expected at the time of his death, Austria has issued a stamp to mark the death of its erstwhile president, Dr. Karl Renner. President Renner died less than three months ago on December 31, 1950. He was eighty years old. The stamp, a 1 Schilling black, was first placed on sale February 27 but did not become valid for postage until March 3—the latter date will be considered the first day. The portrait on the mourning stamp is nearly identical to that of Dr. Renner used on a stamp issued in 1948, a 1 Schilling deep blue, to celebrate the 30th anniversary of the founding of the Austrian Republic. The frame surrounding the portrait on the March 3 stamp is entirely different than the 1948.

Designer of the Renner stamp is Ferdinand Lorber who also performed the engraving.

Semipostal stamps, the surtax from the sale of which is to aid in the rebuilding of various Austrian industries, were placed on sale March 6 and became valid for postage use on March 10. It is one of several such issues produced since World War II to aid in the rebuilding of the business and culture of the nation.

100th Anniversary Stamps Will Picture Unusual Mail Vehicle; Norway Adds To Regular Series

There will be two stamps of identical design in the set Denmark will issue to mark the centenary of its postage stamps an event occurring in 1951. The actual 100th anniversary date of April 1 will also serve as the first day of issue. Denominations and colors are 15 ore violet, which is the local postage fee, and a 25 ore red for domestic postage. The centennial stamps will be the third commemorative issue of this year, the first being a set of two released February 26 publicizing the 250th anniversary of the founding of the Danish Naval Officers Academy, and the second commemorating the birth centennial of the Danish electrical scientist, Hans Christian Oersted issued March 9.

An unusual mail carrying vehicle, the "kugle-post" (globe, or ball-post) is to occupy most of the design. In use 100 years ago, it somewhat resembles a coach in general construction, drawn by two horses. In place of the passenger compartment there was an egg-shaped container, of heavy sheet-iron in which the mail was carried.

It contained a small iron door with suitable locks, the keys for which were only in the hands of the postmasters at the various mail stations along the route. This system was generally successful in foiling armed robbery by gangs of highwaymen.

An original ball-post vehicle is on display in the Danish Postal Museum in Copenhagen—it probably served as the model for the stamp design.

Also shown on the stamp are the Danish Crown, a crossed sceptre and sword, and the wording, "Det Danske Post Frimaerke 1851-1951", translated meaning, "The Danish Postage Stamp 1851-1951".

Printing will be made in sheets of fifty (5 x 10) on unwatermarked paper, perforated 12½ at the government printery. The commemorative size, which is 1½ times that of the ordinary stamps, will be used.

Denmark's gifted standbys of Viggo Bang and Bent Jacobsen are responsible for the design and the engraving respectively.

Another Scandinavian nation is issuing new stamps, Norway, but in this instance they are of the regular postage category. Because of the increase in postage fees, current stamps required new colors to comply with the regulations governing international mail.

A new portrait of King Haakon was chosen to grace some of the denominations while a revised version of the posthorn design was selected for others.

On February 10, Norway released the following denominations in this new series, all with the King Haakon design and in colors as follows: 30 ore gray, 35 ore red brown, 45 ore blue, 50 ore brown olive and 55 ore yellow.

Additions to the set were expected on March 10 these being a 20 ore in the posthorn design and an 80c with King Haakon.

All were produced on watermarked paper by the photogravure process in sheets of 100 perforated 13 at the firm of Emil Moestue and Sons of Oslo.

Also on March 10 there appeared a new air letter with an imprinted postage stamp of 45 ore and a selling price at the post office of 50c. The change from the current air letter in-

cluded an alteration of the standing text.

While a first day cover service is not maintained by Norway it is possible to buy the new and other stamps and postal stationery from the Philatelic Agency the address of which is Postverkets Frimerkesalg til Samlere, Oslo, Norway. United States bills can be sent for payment in registered letters, as well as Canadian dollars and British pounds.

The U. S. dollar is worth 7 Crowns (1 Crown equals 100 ore), but U. S. coins are redeemed at the rate of 6 Crowns to the dollar. The Canadian dollar is worth 6.50 Crowns and the Pound, 19.90 Crowns. International Reply coupons are accepted as worth 45 ore each.

The address of the Danish Agency is Postvaesenets Salgskontor for Frimerkesamlere, Centralpostbygningen, Bornstorffsgade 32, 1 ste. Sal., Copenhagen, Denmark. The Danish rate of exchange is similar to the Norwegian.

News of the stamps was received from Fred Arndt, Roskilde, Denmark, Eric Woweren, Charlottenlund, Denmark and Thorsten Ingeloff, Karlstad, Sweden.

GOOD NEWS

In the February 26 edition on page one is a picture taken atop Mt. Suribachi just a few minutes after the world famous flag raising picture snapped by Joe Rosenthal. In the caption attention was called to Capt. Schrier first man on the left hand side—it was stated that he had been killed in January in Korea.

The good word comes from Mrs. Schrier that Capt. Schrier was not killed, and that he was home in Birmingham, Alabama with her on leave, getting used to the comforts of civilization again.

Four Greek Stamps For St. Paul's Visit

Just 1900 years ago St. Paul visited Greece spending some time there preaching to and converting a number of the natives. To memorialize his sojourn in the country, a set of four commemoratives will be issued by that nation some time in June.

There will be 200,000 complete sets having denominations of 700, 1600, 2600 and 10,000 drachmas.

P. J. Drössos of Athens, Greece points out that St. Paul has already appeared on a stamp of that country. It appeared in 1937 picturing St. Paul preaching to the Athenians.

Heart Attack Fatal To Minneapolis Dealer

Many of the friends and customers of H. S. McIntyre will regret to learn of his death from a heart attack on February 27. He had been hospitalized for six weeks with the illness which finally claimed him.

Mr. McIntyre had operated a successful stamp business from 3332 Third Ave. South, Minneapolis, Minn. for a number of years which carried United States issues as well as a fine stock of foreign. He had often claimed that he was a stamp dealer by avocation and a Linn's Weekly Stamp News advertiser by choice.

Just last May 15, Mr. McIntyre had celebrated the 35th anniversary as editor of "Commercial Bulletin and Apparel Merchant" published in Minneapolis. After graduating from Carleton College, he had embarked on a career which included advertising manager jobs on several southern newspapers, his own general store at Lansing, Minn. and finally his assuming the position he held at his death, that of editor of the "Bulletin".

Oberlander Italian States Sell High

In an auction sale on February 20, 21 and 23, conducted by Donald d'Amato, the Mercury Stamp Company of New York sold the Old Italian States from the Max Oberlander collection. The material, outstanding for its exquisite condition, not only attracted mail bidders from all parts of this country, but also from more than twenty foreign countries in Europe, South Africa and Latin America.

Of Modena, a 1 lira 1852 on cover sold for \$95 (Scott \$100), a used 15c 1859 for \$125 (Scott \$200), a used 40c 1859 with sheet margin for \$77½ (Scott \$65), a cover with 5c+40c 1859 for \$192½ (Scott \$105), a newspaper tax 10c 1853, variety "CENI" on newspaper for \$65 (Scott without price) and a 10c 1859, superb on newspaper for \$177½ (Scott \$125). Romagna brought in fine copies generally above catalog, especially on covers, for example 2b+8b \$90 (Scott \$81) and 20b \$320 (Scott \$175). A 6b on piece sold for \$350 (Scott \$500), a 20b for \$87½ (Scott \$175).

Sardinia, a pair of the 5c black 1851 on cover, sold for \$107½ (Scott \$120), a cover with two 5c black+40c for \$120 (Scott \$55), a superb used pair of the 5c yellow green 1854 for \$95 (Scott \$50) and the cover variety 3 lire 1855 for \$172½ (Scott \$30).

Special Cover For Hospitalized Vets

Patients in Veterans Administration hospitals who collect stamps as a hobby, soon will get the chance to add an exclusive "first flight" postmarked envelope to their collections, thanks to three-way cooperation between V-A's Special Services, an airline company and a stamp collectors' organization.

"Stamps for the Wounded," a volunteer organization that services 100 stamp clubs in V-A hospitals, arranged with American Airlines to fly 400 special "first flight" envelopes on its inaugural nonstop flight from New York City to Toronto, Canada, on February 12.

The envelopes, exclusively for patients in V-A hospitals, were postmarked in Toronto, placed aboard another flagship and flown to Mexico City, where they received an additional postmark.

Next they will be flown back to New York City and returned to "Stamps for the Wounded". Finally, the organization, with the help of V-A's Special Services, will distribute the postmarked envelopes to hospitalized veteran stamp collectors throughout the country.

Each envelope features an original drawing by David Breger of his famous wartime cartoon character, "GI Joe," symbolizing the friendship between the United States, Canada and Mexico. Each envelope will be stamped with the Wright-Brothers air mail stamp, a collector's item in itself.

V-A said that none of the envelopes will be sold or made available to dealers. All will go exclusively to veteran-patients.

"Junior" Auctions Attract Bidders

Two dealers are making use of the "junior" auction method to bring popular stamps to the attention of collectors in this edition of Linn's. The term junior is quite apt since both are only one column wide by four inches high, but each packs a lot of value.

That of Max Hufschmidt, Tomahawk, Wis. is his second, featuring material similar to his first, Duck Stamps. Interest was so high in these issues that Mr. Hufschmidt prepared another auction of them.

Airmails Exclusively of Chicago, Ill. is offering some of the better used airmail stamps from various of the world's nations. Collectors might find items which will fit right in with stamps on their want lists.

Both firms have expressed the opinion that it is not necessary to have a large scale auction to attract buyers. The junior auctions should have an appeal to other stamp dealers, and perhaps individual collectors in the process of liquidating duplicates.

Postpone Wayne Exhibition Four Weeks

The Wayne Stamp Society has changed the dates of their 24th annual exhibition and bourse because of conflicting dates with P. S. P. S. convention at Flint, Michigan.

The new dates for the exhibition are April 28 and 29. It will be held as previously announced in the social room at the Michigan Central Depot, Detroit, Mich. It promises to be a very interesting exhibition as there are several fine foreign collections in the club and keen rivalry is expected.

Leo Smerza, 5284 French Rd., Detroit, Mich., will handle the Exhibition labels which will be in keeping with Detroit's 250th birthday celebration. They will sell for 10c plus postage.

Philatelic Literature At Garfield-Perry Show

The Garfield-Perry Stamp Club at their 61st annual exhibit and bourse to be held on March 17 and 18 at the Allerton Hotel, Cleveland, Ohio will again have a Philatelic Table, an innovation with this Club a year ago which proved to be very successful.

Books on philatelic subjects are taken on a consignment basis and brought to the attention of many collectors who have no idea of the wealth of philatelic literature available. The "Table" will again be presided over by William J. Murphy.

ing his trade in front of a partially completed bridge.

Communications also suffered from the war—it is the replacement and the repair of it which is symbolized by a 1.70 Schilling plus 40g steel blue. A lineman is shown on a telephone pole replacing an insulator on a cross bar.

Designer of the four was Ernest Schrom, while a different engraver transferred each of the designs to the steel dies. The 40g had as its engraver Rupert Franke; the 60g Friedrich Teubel; 1S. Hans Ranzoni, Jr.; and 1.70S. Hubert Woyty.

B. W. I. UNIVERSITY SETS. These 14 sets (28 stamps) have arrived in New York. They are bicolored and very attractive. Within a few days many dealers were sold out and were endeavoring to replace stock. However, there was no surplus stock in New York and, as this is being written, it is not known whether additional complete sets are available in the colonies or from the Crown Agents in London.

These stamps received considerable advance publicity and many collectors specialize in the stamps of the British West Indies. Most dealers received a larger number of advance orders than anticipated. When dealers showed these sets in their windows, they were soon sold out.

The entire 28 stamps have a face value of about \$1.25 and have been selling at retail for \$1.40 to \$1.50.

The official announcement stated that these sets would be on sale for three months or until stocks were exhausted, whichever was earlier. It is suggested that they be bought now as they look good and prices may advance.

GOLD COAST. It is now reported that the anticipated set to commemorate the new constitution will consist of four values and prizes are being offered for suitable designs. These must depict subjects connected with the advancement of the Gold Coast.

This will be the first commemorative set to appear exclusively for Gold Coast.

CROWN AGENTS. The report to the House of Commons shows that the sales of the American Branch of the London Crown Agents has been below expectations and has not produced the expected amount of dollars.

NYASALAND PROTECTORATE. It is reported that a set of four stamps will be issued to commemorate the Diamond Jubilee on May 15, 1951. The values will be 2d, 3d, 6d and 5 shillings. It is planned to have same on sale for three months only.

KENYA & UGANDA. The 50c gray black and red violet stamp, (#69) exists in two dies. Type A13 in Scotts shows two ropes attached to the sail. This stamp exists with the upper rope not joined to the sail and this variety is priced in Gibbons at 8 pounds mint.

The price for the normal stamp is 8 pence.

Honor Templars With Postal Slogan Cancel

Norway is one of the world's nations which makes use of a postal slogan cancellation now and again to pay tribute to an organization for which it was not possible to issue a stamp.

On February 7, according to Thorsten Ingeloff of Karlstad, Sweden, Norway placed into use a slogan at Oslo which read in three lines. "I.O.G.T./EN FOLKEBEVEGELSE / 1851 - 1951". Translated it states (International) (Order) of Good T(emplars) / A POPULAR MOVEMENT / 1851-1951.

Brundige To Dodge Work For Next Few Months

Shucks, a man deserves some kind of a leave from duty once in a while, even a stamp dealer. That is the opinion of J. Merritt Brundige, 9 S. Union, Cambridge, N. Y. who is going to go into semi-retirement for a number of months.

Mr. Brundige is going to continue to give the same full and speedy service to his many customers as heretofore, but he isn't going out looking for new ones for a while.

For one thing, this being his silver wedding anniversary year, the Brundiges are going to take an extended trip to Mexico. On top of that there are the preparations to be made for the expected marriage of his daughter to a clergyman, plus two graduations.

That's pretty much of a schedule for any man.

March 21 Banquet At St. Petersburg, Fla.

A rather tempting series of programs has been prepared for the members of the St. Petersburg, Florida Stamp Club for the remaining meetings in the month of March. Interested visitors are welcome too, to these sessions which are held each Wednesday at 7:30 p. m. in room 220 of the City Hall.

Emmet Peter, Tampa Tribune reporter, and stamp column editor of that paper, will speak on March 14. Annual banquet of the club is scheduled for March 21 at the Colonial Hotel, while on March 28 members will have their monthly auction.

This year's exhibition of the Pottstown, Pa. Stamp Club will be the 13th annual, but the club does not expect to have any bad luck because of this number which the superstitious claim is tied to disaster.

The YMCA will be the scene of the show which will be open to the public from April 6 to 8.

Three hundred frames, divided into 40 groups in six sections, with awards and ribbons in each section, will be set up for the public's gaze.

Collectors interested in exhibiting can secure the prospectus from Chester M. Matthias, P. O. Box 47, Pottstown, Pa.

The 1951 stamp program has been announced by the Post Office Department. The Postmaster General, in making the announcement, said that the program for commemorative stamps would be limited to four in order to conserve material and manpower.

ARTCRAFT ENGRAVINGS, with their ability to reproduce men and events in infinite detail, are now in preparation. One of the sketches for the four different designs is illustrated on this page. This is subject to revision as to date and place of sale.

ARTCRAFT ENGRAVINGS, on the 1951 designs, are being offered at previous year prices. We cannot guarantee how long these prices will be in effect. For this reason we suggest immediate order. Orders for envelopes will be shipped in approximately three (3) weeks.

New Album Pages Ready

We have been besieged since the first of this year by readers who have been using our Unit System Album pages and who wanted the new supplements to hold the stamps of 1950.

We did not place our order for these pages until in December when we felt sure that the last of the 1950 stamps had been planned and issued. We anticipated having the pages by the middle of January but due to the fact that we ordered with the supplement pages another complete new Unit of near 40 pages, the amount of paper required was such that the printers had difficulty in obtaining it and were only able to get sufficient of the proper paper from the mills by the middle of February.

Everything else was ready to go but paper was short and that is the reason for the delay.

We are happy now to announce that supplementary pages for all stamps of 1950 are now ready. Incidentally the only stamps issued in 1950 were eleven different commemorative stamps, starting with the stamp for the Bankers and running through the California Statehood Centennial issue.

There were no regular postage, no airmails, special delivery etc. Thus we have a new Unit for 1950 which consists of two pages for the eleven new Commemoratives and these are lithographed with illustrations to match our new Unit Number one which was put out last year. For the blocks of four we have three new pages to match our Unit Number two which is without illustrations.

Both of these new supplementary Units along with a new complete Unit for all regular postage issues from 1847 complete to date are offered elsewhere in this issue and we are now ready to fill orders.

Publicity On A Big Scale

Advertising is publicity. Many mediocre products are sold at high prices just because they are featured so much that people come to think of them when buying and the publicized product get the business. If many well known products could sell in as large quantity without the expense of publicity, the cost or selling price could be cut in half. It costs a lot more to sell lots of items than it costs to make them, but such is the habit of the public that publicized items get the preference when they buy. Thus absolute lack of knowledge of the product on the part of the buying public often leads them to pay a high price for some item when they could if they knew, get a better item for the same use for half the money.

In grandma's day grandma knew yard goods. She could pull a thread and tell what sort of goods it was and how good it was. Our women of today lack that ability for they do not spin and make their clothes as grandma did.

Now comes another piece of publicity that is such to cause comment for it ties in with stamps and stamp collecting. A new RKO Radio Picture is being readied for the showing. It is a picture that was filmed in Macao a small island at the mouth of the Canton River off the coast of China and under the rule of Portugal. The stamps bear the word MACAO and we know it as Macao. The name of the new picture is "MACAO". It is directed by Josef Sternberg. Jane Russell and Bob Mitchum co-star in the picture and it sizzles, so the publicity says. Bill Bendix also stars in this picture.

Picture post cards with lovely Jane Russell and Bob Mitchum pictured together have been mailed from Macao under date of January 19th, to movie houses and to newspapers and magazines all over the country. The picture is a splendid photo and is the first shot in the gun of publicity to make this picture one that you will want to see. If you know the manager of the RKO movie house in your town you might be able to beg his card for your collection. The stamp on our card is a 30 avo blue, apparently a new issue as it is not listed in Scott's last catalog.

A Message From Herman Herst

We are asked to announce for Mr. Herman Herst Jr. of Shrub Oak, N. Y. that due to serious illness in his immediate family, he is temporarily closing his stamp business. Mr. Herst asks that all customers refrain from writing him or attempting to buy stamps from him or sell stamps to him. Pat states that he feels obligated to devote his entire time to his family in this critical period and therefore is obliged to make the above request. His advertising in this and all other papers is being temporarily canceled.

The Stamp Dealer Fever

It seems that at some time in one's stamp collecting career many of the boys get the stamp dealing fever. Just what brings this on is hard to say. Perhaps a lot of them think stamp dealing is an easy game, an easy way to make some easy money. Perhaps others accumulate so many duplicates that they want to find a means of disposing of them at a profit rather than give them away.

Many of these embryonic prospects have written us in the past, asking us to tell them just how to start being a stamp dealer. The question is a small one, but the answer is one that would require a book to tell and even then there would be more to tell.

Stamp dealing is not an easy means to wealth. It is hard work. It requires or should require a great amount of good sound business sense. It requires a substantial and large stock of stamps as well as ample capital.

Anyone thinking of going into the stamp business should be a very thorough philatelist as well.

The best advice for most of these people who get the bug would be for them to confine their advertising to classified space, use it sparingly, try to make sales or trades that help them in learning. Spend a few years at it from this angle and maybe after a few years you will have learned enough that you can take the plunge and maybe you will find out that you are just not the right person to start a stamp business.

DOUBLE IMPRESSIONS—by Well

"I was browsing around in this stamp shop when all of a sudden I saw a box marked 'Souvenir Sheets'. It seems I interpreted 'Souvenir' too broadly."

What It Takes To Be A Postmaster!

According to James L. Wright of the North American Newspaper Alliance writing for the Evening Star of Washington, D. C. senators and representatives of Arkansas and Texas are up to their ears in a scrap over the Texarkana post office.

Texarkana is not only named for the two states, because half the town is in Texas and half in Arkansas, but the post office building itself is astride the State line.

For decades the Texas and Arkansas Congressmen traded the Texarkana postmaster, naming first one from Texas and then one from Arkansas.

But when Senator Morris Sheppard of Texas came along in 1902, he was a resident of Texarkana, and the Congressmen from the two States conceded this patronage should go to the Senator. This arrangement lasted during the Senator's lifetime.

The last incumbent, appointed in 1934, died last August so the Arkansas shouted: "It's Arkansas' turn."

However, Representative Patman of Texas turned a deaf ear to the plea and, being from Texarkana himself, nominated one of his own constituents for the office.

Senator Connally of Texas, being too busy with his chairmanship of the Senate Foreign Relations Committee to pay more than casual attention to such little problems as postmasters in his State, was informed by a Senate attache that the Texas postmasters has been confirmed by the Senate.

Assuming this meant the whole list had been put through en bloc as a pro forma proceeding as the Senate frequently does, he wired congratulations to the Texas nominee for the Texarkana office.

Next morning, Senator Connally's clerk, in checking the list of confirmations, discovered that the Texarkana post office had been omitted.

Then there was much excitement. It was confirmed that the omission was no mistake. Senator Connally frantically telephoned his Texas nominee that there had been some mistake and nothing should be said about his congratulatory telegram of the night before.

However, the erstwhile happy applicant had taken Senator Connally's telegram down to the local newspaper as soon as he received it and the story was already in print.

Next day Representative Bayce Tackett, of Nashville, Ark., came over from the House side to make his argument before the Senate Postoffice and Postroads Committee that "it's Arkansas' turn."

Yesterday a Senate Post Office subcommittee had its second hearing on the question but still doesn't have the answer.

President Truman, under recommendations of Mr. Patman nominated Arthur L. Jennings, a Texan now employed in the post office there.

But Mr. Tackett, whose district includes Texarkana, Ark., urged that some consideration be given Arkansas' claim, even if a coin were flipped.

Senator McClellan and John

Erickson, administrative assistant to Senator Fulbright, Democrat of Arkansas, attended and backed up Mr. Tackett; Senator Lyndon Johnson, Democrat, of Texas, and Arthur Perry, aide to Senator Connally were on hand to bolster Mr. Patman.

Chairman Johnston indicated he would have another hearing but said, "I'm not sure just what the next step will be."

Spring Precancel Roundup In New York

The New York Precancel Stamp Club announces that a Spring Precancel Roundup will be held on Saturday and Sunday, April 14 and 15 at the Cornish Arms Hotel, 311 West 23rd St., New York, N. Y. The spacious and well-lighted East Room, on the 12th floor has been secured for this event.

The Precancel Club's Roundups have for many years been annual features of the stamp activities in the New York area. They are strictly "swapfests", without interfering dinners, shows, or auctions. They attract not only precancel collectors, but general collectors of both U. S. and foreign stamps.

Dealers' tables, of which there will be well over a dozen, with ample space for display of all sorts, will cost \$6.00. The main part of the floor will be given over to small tables, at which those attending may buy, swap, and sell. Several non-precancel dealers have already engaged dealers' tables, as well as the better-known precancel dealers.

Collectors not in the precancel field are invited and welcomed.

All information may be had from the Secretary of the New York Precancel Stamp Club, Alex. Findlay, 95 St. Paul's Ave., Staten Island 1, N. Y. Room reservations may be made directly

OHIO PRECANCEL CATALOG

After four and one-half years of waiting the Ohio Precancel catalog has become a thing of reality. I am sure all OHIO precancel collectors will agree though that it was worth waiting for. The catalog is released as a loose leaf edition, 8 1/2 x 5 1/2 size punched to fit a ring binder. You furnish your own binder. This we understand will be the layout used for all future editions of HOOVER published catalogs and a very good idea. The advantages can readily be seen. Easy to substitute, gages and also interleave for future listings. The catalog consists of 92 pages with about 20,000 listings and numerous illustrations.

The editor was D. S. Kelly of West Milton, Ohio, photographer by R. D. Fullerton of Dayton, Ohio.

This catalog is the third of the large state catalogs to be published. The other two were the California and Illinois. It is an almost forgone conclusion that this is the method by which all future city type precancel catalogs will be released. Either one state at a time or in the case of states with fewer listings, a group of states.

Ohio has some of the most interesting and appealing precancels that can be found and to those collectors who have refrained from collecting precancels because of the lack of an official guide, that reason no more exists because the OHIO catalog is now ready for distribution.

Price is \$1.50 for set of pages only, \$1.75 for set of pages plus STYLE CHART. Those owning a HOOVER catalog which already has a Style Chart will NOT need one.

Congratulations and thanks are in order all around and especially to HOOVER BROS., the publishers who have produced this catalog under extenuating circumstances.—Note the PRECANCELED ADS for information as to ordering.

OHIO NOTES

And these two notes are good for insertions in your additional listings in the new OHIO catalog. First the BUCKEYE was mailed this month from VANBUREN, Ohio. Please note that this new U-120N type is spelled all as one word. Previous spelling of the name was VAN BUREN on the old U-87 type. The why and the wherefore has not yet been ascertained. Maybe someone up that way can help us out as to reason for the change in spelling.

Weimers auction of recent date listed a ROSEWOOD, OHIO. This is a new town to record. It has been on the tentative list for some time but none ever recorded. The type from the illustration seems to be U-126.

Stamps, Covers For Australian Jubilee

Australian stamps to be released May 1 to celebrate the 50th anniversary of the federation of the six Australian states will be affixed to first day covers and sent separately at face value by R. C. Dettman, 87 Bayview Terrace, Claremont, West Australia.

Because of the slowness of surface mail, interested persons should use airmail to make their wants known. Mr. Dettman will supply the envelopes for the covers, and the addressing. Payment sent for the stamps if too much will be kept to the credit of the sender for use on future issues. Dollar bills can be sent.

The stamps for the 50th anniversary will have denominations of 3d, 3d, 5 1/2d and 1/6.

Mr. Dettman will appreciate a few mint United States commems to help defray the cost of the envelopes and the addressing.

Flint Host To Annual PSPS Meet, Exhibition

Hosts for the annual meeting and exhibition of the Peninsular State Philatelic Society will be the Flint, Michigan Stamp and Coin Club at the Hotel Durant, March 31 and April 1 in Flint.

Members of the PSPS who are planning to show stamps are asked to make their reservations for frame space with Gerald L. DeMott, 527 Crawford St., Flint, Mich. now. Likewise dealers who would like to inquire about the bourse accommodations are urged to write J. H. D. Reynolds, 607 Liberty St. also of Flint for details.

There will be twelve different classifications in the exhibition including one for juniors and one for currency and medals.

One of the highlights of the gathering will be the banquet at the Durant on Saturday evening. Reservations for this must be made before March 25 with Elton West, 912 Vermilia, Flint Mich. General chairman of the two day affair is Frank Wilder president of the Flint Club, 218 E. Kearsley St.

El Paso Club Issues Annual Directory

Members of the El Paso, Texas Stamp Club should have no doubts in their minds as to what the program will be at the next meeting. It is all recorded, for the entire year, in a fold . . . which also gives the names of the officers, the names, addresses and phone numbers of the entire membership, and their philatelic interests.

Officers for the current year are president Elmer B. Garress; vice president J. Glenn Bixler; treasurer Elmer S. Young and secretary Melvin Ross, 817 Winter St., El Paso, Texas.

Meetings to which all collectors are invited are held the second Friday at the YMCA, and the fourth Wednesday at the homes of various members.

Sell To A Buyer

That makes sense, doesn't it? We were always told that there is no sense trying to sell to a man who himself is interested in selling. He simply can't solve your problem when he can't solve his own. Nor should you sell mint sheets to a man who wants to buy used blocks. Good business will not allow him to give a sensible valuation to material not of interest to him.

It may be good business, but not for you. Your material must be handled by a logical buyer. A logical buyer is one who wants to buy what you have to sell, not just what he specifically wants to buy.

Your question is now, "How do I know that you in particular want what I have to sell?" The answer is conclusive. Today, this month, this year and so long as you see our message you want to buy everything in stamps from five dollars to any conceivable amount. We need everything equally and we are equally interested in paying a top cash price for your stamps. Equally interested whether they be mint sheets, blocks, specialized collections, dealer's stock or accumulations any description.

You can ship now with the knowledge that you will be advised personally of the true cash market value of your holdings by a firm that is equipped to handle everything in stamps at all times. That is the logical thing to do. This is the logical plan.

Page Releases Third Stampic RR Register

Bigger, better and more comprehensive than ever are the additives which can be used to describe the third edition of "The Equipment Register of the Philatelic Railroad".

It is the newest, dated February 1, of the lists prepared by H. D. Page, 83 Crestview Ave., Springdale, Conn., which gives the Scott Catalog and type numbers of stamps which picture trains and railroad equipment.

There are 19 pages, 8 1/2 x 11 in size, produced by a duplicating process, where the topical collector will find a recording of the stamps produced by the nations of the world in that category.

From a quick glance through its pages, the Register shows that it is quite possible for a person with just a fair amount of stamp money to build a notable philatelic railroad. Most collectors would hardly have the time to do the searching and compiling necessary to the production of a similar list so Mr. Page's comes as a distinct contribution to the hobby.

250th ANNIVERSARY OF THE NAVAL OFFICERS SCHOOL. On February 26, Denmark issued two stamps to commemorate the founding of its Naval Officers School begun in 1701. One a 25 ore red brown pictured a sailing vessel of the founding period while the 50 ore dark blue has the same design. Covers postmarked at Copenhagen, the capital received the special first day cancellation. The cover above received through the courtesy of Fred Arndt, 44 Klosterengen, Roskilde, Denmark has a rather attractive cachet. Other covers were received from Gunnar Madsen, Tollose, Denmark, Th. Nielsen, Salling Bank, Skive, Denmark.

Using The Postal Meter To Go To Town With Traffic Safety Subjects

BY J. F. McGEE

My article in Linn's of January 15, 1951, on the subject of traffic safety slogan cancellations, drew more than usual attention from collectors. It is evident from the responses that I received

that most everybody is interested in traffic safety. And the majority of the writers expressed the wish that I would follow up with further publicity on the matter until the P. O. D. adopts the idea. Well, right now that seems to be a big order.

In the article I mentioned, I suggested that the slogan theme be placed to the left of the town postmark, where it would be readable at a glance, instead of on the postage stamp as part of the cancellation. I pointed out that was the practice with postal meter machine imprints. That was an invitation to collectors to send me meter imprints that had traffic safety subjects in connection.

I shall describe only the three most interesting types. E. G. Titus, Salt Lake City, enclosed a metered cover of the Salt Lake City Board of Health. To the left of the town postmark is the pictorial subject in the form of a side view of the front section of an auto with headlights beaming. There is an overall light screen of small dashes to represent falling rain or snow, and the caution, "DRIVE SLOW/IN RAIN, SLEET OR SNOW". Mrs. John Anonby, Kenyon, Minn., submitted a metered cover of the Delano Granite Works, Delano, Minn., with this slogan theme, "DRIVE SLOWLY/We Can Wait". (I presume the import of the second line is, "We can wait to cross the street.") Homer Borland, Carrollton, Ohio, sent me two metered strips and two pieces of envelopes with the postmark of Columbus, Ohio. All have the same traffic safety subject. It depicts an approaching auto, with four small kids, one of them on a bicycle, hurrying across the street in front of it, and the request, "WATCH OUT FOR US/Give Us A BREAK". This subject in connection with a regular postmark would im-

press everybody with its message.

Moe Luff, New York City, who has compiled a catalog of slogan cancellations, which is illustrated with four hundred different types, praises the suggestion for traffic safety slogans. However, in his letter he writes that my idea placing the traffic safety subject to the left of the town postmark would not be possible due to the construction of the machines now in use in our post offices. Well, that is a mechanical problem that would not be too difficult to meet.

Gold Star Mothers Perforation Variety

Captain H. Flugel of Kansas City, Kansas has sent a copy of the 3c Gold Star Mothers stamp for inspection which he picked out of a large lot of used stamps and calls attention to a very peculiar perforation down the right side.

It appears as though someone had taken a very small pair of pinkish shears and cut an imperforate pair of stamps apart. The cut has the appearance of a perforation, yet is quite a bit larger and is on the right edge only. The perforations on the other sides are normal.

It is entirely possible that there may have been some sheets of this stamp in which the perforation was defective and the stamps may have been separated in this manner.

Collectors are urged to keep on the lookout for similar varieties.

GEORGE GRAHAM

Box 121 Metuchen, N. J.

BY CARL P. RUETH

Death claimed General Jan. W. Moore, 99, commander of the United Confederate Veterans on February 26. This will undoubtedly cast a shadow on the activities scheduled for the final reunion of the UCV May 30 to June 2 at Norfolk, Va. a which time there will be a commemorative.

Just last month he had celebrated his 99th birthday, and had hopefully stated at the time that he would like to reach the century anniversary.

A cerebral hemorrhage on February 23 was the cause of his death. Gen. Moore was one of the two surviving Alabama veterans.

At the age of 13, Moore ran away from the home of his grandmother at Newman, Ga. enlisting with Morgan's Partisan Rangers, then a unit of Wheeler's cavalry.

Following the close of the war he entered Virginia Military Institute from which he graduated in 1873. Until the time of his death, he was the Institute's oldest living graduate.

With the assistance of Fred W. Johnson of Washington, D. C., the surviving members of the UCV are:

P. R. Crump, Lincoln, Ala.
J. C. Chism, Ben Hur, Ark.
John A. Marcum, Birta, Ark.
Joseph P. Robles, Tampa, Fla.
Robert K. Boyd, St. Augustine, Fla.

George W. Keith, Graceville, Fla.

William T. Keith, Caryville, Fla.

William J. Bush, Fitzgerald, Ga.

William D. Townsend, Olla, La.

J. S. Laird, Laurel, Miss.

Thomas W. Guinn, Augusta, Miss.

Thomas E. Ross, Los Angeles, Calif.

S. M. Bennett, Relief, N. C.

Arnold Murray, Orangeburg, S. C.

J. H. Whitsett, Bonham, Texas.

Thomas E. Riddle, Wichita Falls, Texas.

Samuel M. Rany, Mt. Vernon, Texas.

Walter W. Williams, Franklin, Texas.

John Salling, Slant, Va.

James A. Thrasher, Louin, Miss.

This list I would say is reasonably accurate. One or two might have been missed. One or more might have died.

1. What persons pictured on commemoratives would you associate with the following: "The Raven"; "Uncle Remus"; Founder of Memorial Poppy; and Founder of the Girl Scouts?

2. What Bay is pictured on the Annapolis stamp; type cart on the Minnesota; wagon on the Swedish Pioneer; bird on the Everglades National Park issue?

Excepting recent converts to the hobby, collectors know that a stamp was issued for the final encampment of the Grand Army of the Republic (GAR) at Indianapolis, Ind. on August 29, 1949. The GAR was composed of the surviving members of the Union Forces which fought in the Civil War.

The United Confederate Veterans Association takes its membership from the ranks of the Confederate soldiers and sailors who were engaged in this same conflict. It might be interesting to delve a bit into the history of the organization.

Unlike the GAR which began as a distinct organization of its own, the United Confederate Veterans (UCV) is a federation of all organizations of survivors of the Civil War on the Southern side.

It was organized on June 10, 1889 at New Orleans.

According to the articles of its constitution, the purpose of the association is strictly social, literary, historical and benevolent.

It states that it, "will endeavor to unite in a general federation all associations of Confederate

veterans, soldiers and sailors now in existence or hereafter to be formed; to gather authentic data for an authentic history of the War between the States; to preserve relics or mementoes of the same; to cherish the ties of friendship that should exist among men who have shared common dangers, common sufferings and privations; to care for the disabled and extend a helping hand to the needy; to protect the widows and the orphans, and to make and preserve a record of the resources of every member, and, as far as possible, of those of our comrades who have preceded us in eternity."

Distribution of the membership was made into armies. Three in number, they were the Army of Northern Virginia, the Army of Tennessee and the Trans-Mississippi Department. Each of the Armies was composed of state units called divisions, while the local units were known as camps. At the peak of the membership there were near 1200 camps.

A distinctive badge is worn by the UCV members. It consists of a miniature Confederate Flag, square in form.

History records that hostilities broke out between the North and the South April 12, 1861 when a shot was fired at Fort Sumter manned by the Federal troops.

When the line up of the 34 states which were then in existence was made, it was found that 23 remained loyal to the government of the United States, while eleven of them seceded to form the Confederate States of America.

The eleven seceding states were Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas and Virginia.

The four border states of Delaware, Maryland, Kentucky and Missouri remained with the Union although there were a number of citizens of each who favored the Southern cause.

The Civil War was directly responsible for the formation of one new state. This was West Virginia.

Virginia citizens in the north-west part of the state which bordered the loyal Union states, and who favored remaining in the Union camp, tore their territory away from Virginia.

Petitioning the Federal government for recognition, the granting of this took place when on December 31, 1862, President Lincoln signed the Act of Admission. Formal admission as a state of the Union occurred on June 19, 1863.

Remember in the February 26 column I told about the seeming variety that Duane Delahunt of Bernhards Bay, N. Y. had of the Bankers' comment? There appeared to be a plate crack through the "5" of "1950".

Mr. Delahunt with a bit of figuring and thinking back states that the stamp came from the bottom row of an upper left pane. And he believes the plate number was 24164.

Those of you who have panes of fifty of the stamp to look over might be especially watchful in that area.

Texans are whooping it up for a stamp to publicize the Big Bend National Park located in their state along the big bend of the Rio Grande as just across that river from Mexico.

It's awful wild country with plenty of mountains, and the kind of terrain of which you see a lot in the Hopalong Cassidy movies. You know, where he and the posse chase the "bad guys" on the desert-like plain and finally corner them in a mountainous cul de sac.

That's when the hot lead flies and the bullets whine as they ricochet off the rocks. And that's when junior (and his father?) grips the arms of his chair a little harder, and fights the good fight right along with Hoppy and the sheriff.

Anyhow the folks down there have roused their congressmen to the cause, and they'd appreciate it a lot if you pards would write your approval to the PMG asking for a stamp to publicize Big Bend National Park, down in lil' ole Texas.

Gesundheit.

1. Edgar Allan Poe; Joel

Chandler Harris; Moina Michael; Juliette Gordon Low.
2. Chesapeake Bay; Red River Ox Cart; Covered Wagon (Connecticut); Great White Heron.
